Dear Parents and Guardians,

We hope this email finds you well! As the July holidays approach us, we are excited to announce our upcoming annual Youth Winter Camp for 2025, which promises to be an unforgettable experience for your teenagers.

**Dates: 16th – 18th July, 2025**

**Where: The Tops Conference Centre, 51 Bendena Gardens, Stanwell Tops**

**Early Bird Price of \$249 ends June 15th**

### **Safety**

We wanted to take a moment to highlight the safety measures we have put in place and remind you about the upcoming early bird registration offer.

Ensuring the safety and well-being of your teenagers is our top priority. We have taken several precautions to create a secure environment for the entire duration of camp. Here are some of the key safety measures in place:

1. **Dedicated youth leaders:** Our experienced team of youth leaders will be present at all times, supervising and leading all camp activities. They have undergone Child Protection Training and all have a Working with Children Check.
2. **Health and Medical Support:** We have allocated first aid trained leaders who are a part of our leadership team who will be able to attend to any health concerns or emergencies. Our team comprises skilled and trained professionals from diverse fields such as healthcare, social work and chaplaincy.
3. **Child Safety and Room Allocation:** To ensure the utmost comfort, privacy and age-appropriate experiences for all participants, we have arranged separate designated blocks for boys and girls. The rooms will also be divided into different age group specific areas. The blocks are exclusive zones, no one from other blocks is allowed to go near another block. We are committed to ensuring a safe and inclusive environment for all students.

### **Health Care Plan**

If your young person has a medical condition, we kindly ask that you please fill out this [Health Care Plan](#) as soon as possible, that way we can ensure an excellent duty of care for your young person.
